

CUDAHY BOYS BASKETBALL

Welcome to all fans of the 4th Annual Southside Classic hosted by Cudahy High School!

I would personally like to thank each and every one of you for attending and supporting your teams and players. Our goal in this event is to create two days of competition at the JV and varsity levels that you as a fan can be proud of. The following is a list of all games scheduled for Friday and Saturday. Saturday's games will feature the two winning teams from Friday playing each other, while the two losing teams will play each other. Finally, please take note of your uniform color for the second day of the tournament. Bold games are varsity games.

Thank you again for your attendance and have a great holiday season!
